

Dear Ransom District Library Community Members,

At this time, to best protect the health and well-being of our staff and community, and in solidarity with our government, schools, and fellow libraries, Ransom District Library will be closed to the public effective at 5:00pm today until at least April 6. Our Board of Trustees will meet on Tuesday, March 17 to discuss our plans going forward, including the potential for curbside delivery of Library materials.

We will continue to promote the use of our digital resources for information, educational materials, ebooks, audiobooks, movies, and music, and we welcome your questions, even while closed, about how these digital platforms are used.

We value, above all else, the health and well-being of our community. All of our decisions center on those values, and we look forward to serving you as fully and responsibly as we can, always.

Yours,

Joe Gross

Director

Ransom District Library
