Ransom District Library is offering a wide variety of adventures this summer. It all starts with a travel adventure: Around the World in 180 Minutes! Drop in any time on June 10th between 11 a.m. and 2 p.m. Travel the globe and complete activities to earn passport stamps. When stamps have been collected from all seven continents, participants earn their welcome prize and summer adventure packet.

Can’t make it to the library on June 10? Fear not—summer adventure packets will also be available afterward. Just stop by the front desk and ask.

There are three ways to earn prizes this summer:

Read books!
Participants will write the title of each book they finish in their passport. When they visit the library, they will receive a stamp and a prize for every 5 books read. Keep going all summer to fill your passport and collect stamps.

Have fun experiences!
Visit the library often to try out the many experiences we have to offer. These are listed inside this flyer. There are activities for all ages and interests! When you come to a library program you will also earn a unique stamp. Come to 3 different experiences this summer to earn a special prize.

Have learning adventures!
There will be a selection of learning adventures available on paper for you to take home and do. (They will also be available to print from home.) You can try 3 of these this summer to earn a unique stamp and special prize as well. The prize will be different than the one earned for the fun experiences mentioned above.

READsquared
Does your family prefer to track your reading on our online app, READsquared? That’s great—you will be able to earn that again this summer, and your passport stamps will be virtual. Sign up as families or individuals, and you will be able to log your books, experiences and learning adventures through the app. If you used it last year, your user name and login should still be valid.

Adventures for everyone!
Children from birth through high school will find something fun to do at the library this summer. Registration will open on May 28, and can easily be located on the website calendar at www.ransomlibrary.org. Read on to see the wonderful adventures that are in store for you!
Geodes and Panning for Gold! Tuesday, June 25, 1-3 p.m. by appointment only (Children's Patio) Break open a geode to discover the beautiful crystals that lie inside, and sift through our simulated river bottom to capture pieces of fool’s gold, also known as iron pyrite. Use of hammer and chisel makes this adventure best suited to children entering grades 2-4. Please register children individually.

Musical Adventure with the Kalamazoo Symphony Orchestra: Peter and the Wolf and Instrument Petting Zoo Friday, June 28, Performance at 1 p.m., petting zoo afterward. (Hill Room) Composer Sergey Prokofiev created a symphonic fairy tale in which the characters come alive in the music. Come on an imagination exploration with us and meet our musical friends in the Woodwind Quintet (above, clarinet, bassoon, French horn, and flute.) Kids can further explore musical instruments with KSO staff in an instrument “petting zoo” after the performance. This event is brought to you by the Friends of Ransom Library.

July Events

August Events

Bubble Bonanza! Monday, August 5, 2-3:30 p.m. (Hill Room) Make giant bubbles, take part in a bubble blowing contest, and create bubble art. This will be a blowout! Children should be able to blow bubbles in bubble gum to enjoy this adventure to the fullest. Gum with and without sugar will be provided.

Lego Build-o-Rama Fridays, 2-3 p.m. June 14-August 16, (Burchfield Room) No Legos on Friday, June 28. Use our bricks to create a masterpiece, which will be put on display for a week in the library.

Every Week

Story Time Weekly on Wednesdays, 10:30-11:30 a.m. June 12 - August 14 (Hill Room) Preschoolers can use their imaginations to have amazing adventures through books! Three stories and a variety of musical interludes will keep them interested in this 30-45 minute session. A craft is available to make onsite at the end of each Story Time.

So Many Sunflowers! Wednesday, June 12, 11:30 a.m.-12:30 p.m. (Children’s Patio) Help Ms. Erin fill a set of grow bags on the Children’s Patio with different varieties of sunflower plants! Kids will be able to watch them grow all summer long and will discover the essentials that plants need to live as well as the dramatic diversity that can be found within a single family of flowers. Each child will also be invited to plant a dwarf sunflower in a pot that they can take home.

World Record Adventure DROP IN Thursday, June 20, 1-3 p.m. (Hill Room) Have you ever wondered just how good you have to be at something to get your name in the Guinness Book of World Records? Drop by and attempt some of the activities that are in the book—see how you perform against the record. Who knows? If you’re really fast, maybe you can apply to break the record yourself!

Have a Dance Adventure with Patti Herm! Monday, June 24, 11-11:45 a.m. (Hill Room) Patti Herm Dance Studio’s Ms. Patti will lead participants through a kinesthetic learning experience set to music. Fun for boys and girls!
