It is Art Hop time again! Downtown Plainwell is the perfect backdrop where artists can join businesses, fusing culture and commerce for the Annual Plainwell Art Hop. This is also a great way to show off your goods, and services, especially if you're new to the downtown business community!

Things will be a little bit different this year. New sponsors for this event are the Plainwell Arts Council, Ransom District Library, the Friends of the Library and the City of Plainwell. This year there will be a jurying process to select artists. Additionally, artists will receive a stipend to participate this year.

Optional: you would like to donate a gift certificate we will use them as a prize drawing (similar to Ladies, Leaves, and Laughter drawing). Shoppers who spend \$25 or more in your establishment or with an artist will be given a ticket to print their name and phone number on. These tickets will be gathered post event for the drawing.
